RE: Announcement of ICTM Mathematics Education Scholarship for 2020

Please post the enclosed announcement regarding the \$1500 mathematics education scholarships that the Illinois Council of Teachers of Mathematics is making available to students in colleges and universities of Illinois. A minimum of two (2) and a maximum of five (5) awards will be granted depending on the quantity and quality of applicants.

We would appreciate it if you would bring this announcement to the attention of any students planning to enter the **mathematics education profession**. Please note that all completed applications must be postmarked no later than **March 15, 2019**. All applicants must be working on their first bachelor's degree with junior or senior status. Thank you for your help.

Applications can be found on the ICTM website (www.ictm.org). We have also enclosed a copy of the rubric that is used by the reviews to rate packets.

A new scholarship chair(s) will be announced early in 2020. Information about where to mail the application will be available at that time. Please feel free to contact us at surandan@aol.com if you have any questions.

ILLINOIS COUNCIL OF TEACHERS OF MATHEMATICS

SCHOLARSHIPS IN MATHEMATICS EDUCATION

The ILLINOIS COUNCIL OF TEACHERS OF MATHEMATICS will be presenting its twenty-fifth annual Scholarships in Mathematics Education in October of 2020 at the ICTM Annual Meeting.

There will be a minimum of 2 and a maximum of 5 awards granted of \$1500.00 to help defray educational expenses of the recipients.

To be eligible, a student must:

1. Be enrolled in an accredited university or college in Illinois during Spring 2020.
2. Have junior or senior status as of Spring 2020 with graduation during May 2020 or later and must be working on his/her first bachelor's degree.
3. Be a mathematics education major, a mathematics major with an education minor, or an education major with an official mathematics emphasis.
4. Have a total overall GPA of at least 3.00 from all colleges attended (based on 4.00).
5. Intend to teach in Illinois.
6. Submit the following:
 - A. A completed ICTM scholarship application form.
 - B. Transcripts from ALL COLLEGES ATTENDED (these may be student copies).
 - C. Letters of recommendation from two mathematics teachers, high school or college. These letters must state the capacity in which the writer knew the applicant and address his/her potential as a mathematics teacher.
 - D. Two 200-300 word essays as requested below.
 - E. A completed lesson planning form which is attached.

PAPER CLIP, DO NOT STAPLE PARTS OF THE PACKET

Students can request application forms from their mathematics education department or write to:

Sue and Randy Pippen
ICTM Scholarship
24807 Winterberry Lane
Plainfield, IL 60585
surandan@aol.com

The application is also available online at www.ictm.org under the Scholarship tab. Forms can be completed electronically and emailed to the address to be announced in early 2020. Letters and other documents may still be mailed to our address above until further notice, preferably in one envelope. Please use paper clips instead of staples to organize packet parts.

The completed application forms must be received in one mailing and must be e-mailed or postmarked on or before **May 9, 2020**. The recipients of the scholarship awards will be announced in June 2020 and awarded at the November 2020 Annual ICTM Awards Reception.
