

## Printing from Campus Computers

Students can print directly to Secure-Print from campus computer labs.

1. From any application, print your file by selecting the **Secure-Print on uniflow** printer. Make sure to adjust any settings such as double-sided, black and white vs color, etc. before sending it to the printer. Black and white print jobs cost \$0.05/page, and color print jobs cost \$0.25/page.

2. Walk to the nearest printer and **scan your photo ID** on the scanner:

3. If this is your first time printing, you will need to log in with your Trinity credentials to link your account to your ID.

4. Tap the **Secure Print** icon.

5. Tap the job(s) you sent to **highlight** them, then tap **Print and Delete**.

6. Make sure to **log out** when finished printing.
